About the Walk

The Connecticut Nurses' Foundation (CNF), in conjunction with Central Connecticut State University (CCSU), will hold its **Annual Benefit Walk in Memory of Dr. Judith Hriceniak** at the CCSU campus in New Britain.

Judith P. Hriceniak was the chairperson of the Department of Health and Human Services at Central Connecticut State College at the time her death, in 2000. During her tenure, she was instrumental in the development and strategic planning of the college's nursing program.

As an active member and past president of the Connecticut Nurses' Association, Judy was committed to the association's mission to protect and advance the practice of nursing and the health of Connecticut residents.

Well known in the nursing community for her love of continuing education and professional development, Judy had a unique ability to encourage everyone whose life she touched to grow, challenge themselves and strive to be their best, personally and professionally.

The goal of this walk is to raise money for the Judith P. Hriceniak Memorial Scholarship Fund established by CNF. In addition to providing nursing scholarships, the fund also provides programs related to health and wellness and professional growth.

We have chosen a walk as the venue because Judy loved to walk daily, had a passion for exercise and a focus on healthy living. Even though she is no longer with us, we can keep her spirit alive by honoring her approach to life and her vision of continuous learning.
